

## Canal Point And South Bay Want On P. O. Building List

Several months ago County Commissioner Paul Rardin recommended to Congressman Dwight L. Rogers that Pahokee and Belle Glade be recommended for new post office buildings. Mr. Rogers made the recommendation to the proper committee and in each instance \$85,000 was the amount mentioned for new buildings in the two towns.

Since those recommendations were given serious consideration Mr. Rardin thought it might be a good idea to recommend new buildings for South Bay and Canal Point. This Commissioner Rardin did last week. A letter from Mr. Rogers below is self-explanatory: Paul Rardin, Editor, The Everglades News, Canal Point, Florida.

Dear Paul:

Your letter of the 19th has been received and mighty glad to hear from you again.

I am immediately making your recommendation known to the Post Office Department with the request that Canal Point and South Bay be placed upon the eligible list for new postoffice buildings. Just as soon as I have further information I shall be happy to advise you.

With kindest regards and all good wishes, I am

Sincerely yours,  
Dwight L. Rogers

## Pahokee Ration Board Disbanded

The War Price and Rationing Board 6-7 which has been serving the public at its offices in the Pahokee City Hall since the start of the rationing program was disbanded on Nov. 15 and all the future price control and rationing business for this area will be transacted through the county rationing board headquarters in West Palm Beach.

The tire panel of the local board, composed of J. W. Barrett, chairman, B. S. Waring and T. L. Burns, will continue to function, however, as long as tires remain on the ration list. Persons needing tires are to have them inspected, as usual, by local filling station inspectors and then they are to take the forms filled out by the inspector to T. L. Burns' dry cleaning plant on East Main Street. After they have been approved the forms will be sent to West Palm Beach where certificates for new tires will be issued.

## Belle Glade Juniors Tounce Pahokee 25-0

The Belle Glade junior high football team gave the Pahokee junior high lads a 25 to 0 pasting in a night game on Lair Field Tuesday of this week. Starring for the visitors was Fullback Roger Cunningham who accounted for three of the Belle Glade touchdowns. Willis Warren passed to B. J. Leathers for the other. The Pahokee boys were puzzled by Belle Glade's T-formation plays which ripped consistent gains through center.

Mr. and Mrs. W. H. Acree have as guests her parents, Mr. and Mrs. J. M. Padgett, of Bradley Junction, and her sister, Mrs. Noah Smith of Polk City.

Mr. and Mrs. Ben S. Waring and children are spending the holiday weekend visiting his parents, Mr. and Mrs. M. H. Waring, in Madison, Fla.

## Norton Gallery Glee Club In Pahokee Next Monday P. M.

The Norton Gallery Glee Club of West Palm Beach will appear in Pahokee at the annual entertainment next Monday night, Nov. 26, under the sponsorship of the Church of the Holy Nativity in Pahokee. The club will be under the direction of Malcolm MacGregor. It will be the club's second appearance in Pahokee, it having appeared here more than a year ago.

Proceeds from the admission charge will go into the building fund of the church, as will proceeds from a special program being printed in Belle Glade. Admission for adults will be \$1.20, tax included, and 60c for children, tax included.

## Moberg Addresses The Pahokee Lions

Pahokee Lions held their annual Thanksgiving program and dinner at the Lions Hall Tuesday noon with 40 guests present.

Guest speaker was Rev. Carl A. Moberg who, in an inspiring talk, traced the origin of the ideals of "American Democracy" to the "Mayflower Manifesto" drawn up by the Pilgrim Fathers. Inasmuch as Rev. Moberg was celebrating a birthday anniversary, club members joined in saluting him with the "Happy Birthday" song. In behalf of the club Malcolm Millar, presented him with a surprise "gift" that must be seen to be believed. Luckily the presentation was made after his talk for it made the good man sparkle.

The Shive Sisters Trio, composed of Mrs. Duncan Padgett, Mrs. O. D. Carpenter and Mrs. Ralph Grimes sang, "We Thank Thee, Lord," "Jeannie With the Light Brown Hair" and "Beautiful Dreamer." They were accompanied at the piano by Mrs. H. C. Graham.

Leonard Dobrow, Gordon Hillier and James H. Wilson were welcomed as new members.

At the conclusion of the program a dozen or more turkeys were consigned to Thanksgiving dinner tables by raffle.

## One Family Moves, Then Moving Really Gets Under Way

The former C. C. Hull residence in Pahokee, purchased several months ago by Walter G. Hull, has been completely remodeled with several new additions and Mr. and Mrs. Walter Hull and family moved into their beautiful new home the past week.

This event brought forth a chain movement of families that clearly demonstrates the acute housing shortage in the Pahokee-Canal Point area. Mr. and Mrs. W. Roselle Wilson and sons moved into the house vacated by the Hulls. Mr. and Mrs. Homer Clause and family moved into the house vacated by the Wilsons and Mr. and Mrs. Leo Wroten and daughter moved from Canal Point into the house vacated by the Clauses in Pahokee.

Into the house vacated by the Wroten's are moving Mr. and Mrs. Charles Jones and in turn Mr. and Mrs. Harlan Sears plan to move into the house vacated by the Joneses. Who moves in the house vacated by the Sears family and who moves into the house vacated by the family who moves into the house vacated by the Sears family—frankly we don't know, we got dizzy before we got that far.

## Tuesday, Nov. 27 Is Date Set For PTA Program, Pahokee

In connection with American Education Week the Pahokee PTA is sponsoring an athletic demonstration put on by the boys and girls of the Physical Education Department of Pahokee under the Physical Education Department of Pahokee under the direction and leadership of C. S. Brown, director of boys physical education, and Miss Jane Mitchell, director of girls Physical Education, assisted by Clyde Alley, football coach.

The program will be held under the floodlights of Lair Field on Tuesday night, Nov. 27, starting at 7:30 p. m. It was originally scheduled for the night of Nov. 12 but had to be postponed on account of rain. The public is extended a cordial welcome to attend. There will be no admission charge.

Featured on the program will be the following numbers:

1. A mass demonstration of calisthenics with approximately 300 boys and girls participating. This will include the combined elementary grades from first through the sixth grades and the high school grades from the seventh through the twelfth.

2. Tumbling and gymnastic exhibition by the boys and girls tumbling teams.

3. Basic military drill exhibition by the boys drill team.

4. Folks dances by the girls dancing class.

5. A panorama of sports demonstrating the physical education program for the year 1945-46 by the various physical education classes. Included in this will be boys football, boys and girls basketball, boys and girls track, boys baseball, girls softball, boys soccer, boys and girls volleyball and boys relays and stunts. Also included in the school's physical education program of sports are badminton, tennis, swimming, table tennis, horse show, pitching and physical prowess tests.

## PARCEL WEIGHT AND SIZE

Effective Nov. 15, articles not exceeding 11 lbs. in weight and 4 inches in length or 72 inches length and girth combined may be sent overseas to boys in service upon a request.

Mr. and Mrs. Frank Shaughnessy are in Dallas, Texas, where they are spending several days with their son, Edgar.

## Calendar Changers Force Change In Foot Ball Game

Pahokee and Lake Worth high school officials were doing all right until higher-ups in Washington decided to change the date for Thanksgiving. Over a period of years the Pahokee and Lake Worth high teams had met on Thanksgiving eve for their annual foot ball game. Folks in this area had come to look forward to that particular date for a fairly good game.

But, along came the calendar changers and the Florida State legislature tried to keep up with them and they messed up Thanksgiving by declaring the fourth Thursday as the legal holiday in this state. Now, we run into a November with five Thursday and haywire goes all former calculation.

The game, anyway, has been changed from the former date to Friday Night, November 30, and it will be played in Lake Worth this year.

## Three Rotary Clubs To Gather In Belle Glade November 30

Rotary clubs from Pahokee and West Palm Beach will be guests of Belle Glade next Friday, Nov. 30 in a tri-city meeting. There will be no meeting of the Pahokee club on Thursday, Nov. 29, and all members will go to Belle Glade the following day for the joint meeting.

## UNDERGOES OPERATION

Anderson Chastain of Canal Point returned to his home Tuesday after undergoing an operation in a West Palm Beach hospital for removal of an eye. His condition is reported as being greatly improved today.

## Blue Devils Point To Game With Lake Worth, Fri., Nov. 30

The Pahokee Blue Devils with an unfilled open date this week are working in preparation for their game with the Trojans at Lake Worth on Friday night, Nov. 30. This was originally scheduled as the annual Thanksgiving Eve contest between Pahokee and Lake Worth before Thanksgiving Day was officially dated Nov. 22.

Coach Clyde Alley is having a difficult time getting his squad back in condition following a mid-season siege of the flu which disrupted practice sessions for more than two weeks and greatly weakened the team's playing ability.

At Hollywood last week, where the South Broward Bulldogs of Dania defeated Pahokee 14 to 0, the Blue Devils looked definitely as if they were on the upgrade and played a much tighter game than the score indicated.

## Junior Red Cross Over Top In Pahokee

The Junior Red Cross drive in Pahokee schools really went over the top, according to a final tabulation by D. D. Caudill, principal. A grand total of \$132.41 was raised in comparison with \$51.00 last year. The amount raised in the different rooms were as follows:

1st Grade, Mrs. Shirley	\$ 5.17
1st Grade, Mrs. Heller	3.00
2nd Grade, Mrs. Johnson	3.16
2nd Grade, Miss Henry	8.45
3rd Grade, Mrs. Speer	8.15
3rd Grade, Mrs. Douthitt	9.02
4th Grade, Mrs. Cunningham	18.75
4th Grade, Miss Caraway	7.02
5th Grade, Mrs. Walston	9.26
6th Grade, Mrs. Harlow	5.55
6th Grade, Mrs. Wortham	5.25
7A	3.75
7B	2.75
7C	2.35
8A	3.30
8B	3.90
9th Grade	1.04
10th Grade	13.45
11th Grade	8.42
12th Grade	10.67
Total	\$132.41

## IOOF Candidates To WPB For Work

As the result of an agreement between the officers of Glades IOOF Lodge and Deputy Grand Master H. P. Dawson, all candidates for degrees are asked to report Dec. 2 at the hall in West Palm Beach at 2 p. m. for degree work. The West Palm Beach lodge will render all assistance necessary.

## Freeholders Will Vote On \$850,000 County Park Bonds

Palm Beach County freeholders will be given opportunity on March 12 to voice their opinion on issuance of \$850,000 in county bonds to finance purchase and development of a county park on what is commonly known as Singer's Island north of West Palm Beach.

The county park plan, fostered and promoted by the West Palm Beach chamber of Commerce, was brought to a head last Friday afternoon when members of the board of county commissioners decided to call an election in order that county freeholders may have the final say in the park project.

The park plan calls for expenditure of \$450,000 for the site which contains in the neighborhood of 200 acres on the ocean front and an additional expenditure of \$400,000 for development.

The park plan, its potential worth to the county, its future development through revenues from concessions, and all other information necessary for the freeholders before the vote is taken, will be forthcoming within the next few weeks, it was pointed out by those who fostered the plan.

## Corp. John Padgett Home From War

Corp. John Padgett, son of Mrs. Charles Moran of Pahokee, arrived in Pahokee Sunday from an Augusta hospital after spending three and one-half years in a Jap prison camp. Mrs. Moran had heard from John only a few times during the time he was in prison. However, the intermittent messages were enough to hearten her and never did she give up hope for his return.

After reaching the States John recuperated fast and to look at him today one would never believe that he was down to 90 pounds while in prison. He says that he feels good and his looks bear him out in this statement.

He is a graduate of Pahokee high school and enlisted in the Air Corps in 1940 and was sent to the Philippines only a few weeks before the sneak attack by the Japs on Pearl Harbor.

After his furlough in Pahokee Corp. Padgett will return to the Augusta hospital for a final check-up before he receives his discharge.

## New Law Firm In West Palm Beach

Mooney, Morrow and Fulton is the newest law firm in West Palm Beach.

The attorneys who have formed the legal firm include Lynwood A. Mooney, who is a former member of the Federal Bureau of Investigation; Russell O. Morrow, lieutenant commander in the Navy who recently returned from three and a half years overseas duty, and who is a past president of the Palm Beach County Bar Association, a member of the State Legislature for six years and a former State's attorney for this district.

Charles B. Fulton, the other member of the firm, has just been released to an inactive status by the Navy, in which he served as a lieutenant for over three years.

Mrs. S. G. Burns and new daughter, Gloria, Gail, were returned to their home in Canal Point from a West Palm Beach hospital on Wednesday by Mr. Burns who motored over for them.

## Doctors and Dentists Needed

Frequent complaints are hard because of the failure of the army and navy to discharge doctors and dentists who are not actually needed in the armed services. Many communities still find themselves badly in need of these professional men.

As an example, recently the waiting room of a St. Petersburg dentist's office was observed full of patients and several were standing in line in the hall outside. At one time 25 persons were waiting to see the dentist. One man went to the office at 8 o'clock and did not see the dentist until 11 o'clock.

A St. Petersburg woman recently needed to consult a physician who takes patients in the order they reach his office making no special appointments. She waited in the outer office from 12:30 p. m. to 4:30 and then was admitted to the consultation room.

The number of doctors and dentists is too small to handle the situation even though the health of the people here is better than in the average city. This city needs more doctors and dentists, and the army and the navy should release men who are not essential.—St. Petersburg Independent.

## PAHOKEE BAPTIST CHURCH

The Pahokee Baptist musical family of some fifty members, choir and orchestra, will augment the 'congregational sing' this Sunday night at the 7:30 preaching service. The Illuminated Cross Meditation Sing, with Rev. C. A. Moberg at the piano, will again be presented. The quartet will also sing. The special effort to average one hundred in attendance in the Training Union is rapidly meeting with success, with ninety three present last Sunday. One of the features of this phase of the church program, is the special

item presented each Sunday by the Associate Director Mrs. W. M. Dubose, this Sunday a debate. The ladies' quartet, Mesdames Dupere, Grimes, Baker and Moberg, will sing at the morning preaching hour of eleven. The large chorus choir will sing. The pastor will preach at both services. The public is cordially invited.

A trigger-action garage door, which is opened or closed by the car as it passes over a contact unit in the driveway, has been developed by the Purdy Door-Operator company.

## EXCHANGES

### SENIORITY

Sam Ballard, a young Louisiana newspaperman, appeared before a senate committee to protest the erection of a statue to the late Huey Long, Louisiana dictator, in the rotunda of the nation's capitol. He was rudely interrupted several times by a senator favorable to the Long regime, who finally roared: "Young man, do you realize you are addressing a senator of the United States?"

"Yes, sir," retorted Ballard. "And do you realize that you are addressing a citizen of the United States?"—Reader's Digest.

### MEN'S BIBLE CLASS

In keeping with the season of Thanksgiving, it is with profound gratitude that the teachers and officers of The Pahokee Men's Bible Class express their appreciation of interest and support of so valuable an institution. Led by Membership Vice President Elsworth Keen, a campaign is under way to bring the average attendance up to seventy five. Upon the accomplishment of this endeavor, a victory banquet will be served to the members and friends of the class. This Sunday's lesson, "Christians Working Together in the Community", will be taught by the teacher, Rev. C. A. Moberg. The Class Quartet will favor with two selections, Gary Sanders at the piano. A most cordial invitation is extended to all unaffiliated men of the community, visitors and service men. The group meets each Sunday in the Lions' building at 9:45. Mr. L. Jaudon is the president.

The Bulova School of watchmaking at Woodside, Long Island, N. Y., will train 250 veterans a year without cost to the veterans and without a government subsidy.

## If Caldwell Wants The University Of Florida To Have A Winning Grid Team All He Needs Do Is Loosen Purse String

(By Russell Kay)

While inefficiency, incompetence, stupidity and neglect of duty may not be sufficient cause to remove a Sheriff, from the Governor's viewpoint, it's plenty of reason for liquidating a football team. In a recent letter to J. Tom Gurney of the Board of Control, the Governor complains that Florida has lost prestige because of the utter failure of the University of Florida's "Fighting Gators" to show either the ability to win or the ability to fight.

"I believe the time has come for Florida to determine whether or not the University will play inter-collegiate football," the Governor said, "if the answer is in the affirmative, then we should see to it that the University is adequately represented in the field. While it is most gratifying to note the Chief Executive's interest in the Gators and his desire to see them win, I, for one, can't agree with him and I look on his statement concerning the team as uncalled for, unfair and unjust."

If we are going to make a point of State prestige, I would say that the little affair in Madison County did far more to lower the good name and prestige of the State of Florida in the years of the nation and the world than all the football games lost by the Gators in the history of the University.

As far as "ability to win and ability to fight" is concerned, the

Governor might have said the same thing about the team that tried to hold the line at Bataan and Corrigidor. The boys who make up the football team of the University of Florida are no more to blame for their failure than were the men who faced their opponents in the Philippines.

Just why the Governor saw fit to ridicule and offend a group of teen age boys who have been doing the best they could in the face of inexperience and lack of support, I do not know, but in any event I think he was wrong.

Military machines and football teams have to be built and properly maintained. Furthermore, they must be supported. When we take into consideration the fact that the University of Florida has spent only \$25,000 a year on football compared with \$100,000 or more for most of the opponents Florida teams have been called on to face, it isn't hard to understand why we see our team getting tramped on so often. Given the same encouragement and support these other teams receive, I think we would find the Gators could hold their own with any of them. Considering the handicaps they have had to contend with, I would say the Gators have been doing a bang up job and deserve praise for their courage and tenacity in contests where the odds have been overwhelmingly against them.

The Governor laments the fact that many brilliant football stars that are leading out-of-state teams to victory are Florida boys. This is true but again the fault is ours and not the University's or the team's. So long as competitive colleges make more attractive offers just so long must Florida expect to have an inferior team. Florida has bred some top notch football players and she will continue to do so but whether they wear Gator uniforms and bring prestige to this State rather than some other depends upon whether or not we want a winning team bad enough to pay for one.

Despite rules of the Southeastern Conference that football players within its ranks can only receive tuition, books, board and \$10 a month, everyone knows that they get a lot more than that. Maybe they don't get it from the University or the State Legislature, but just the same they get it and anyone who thinks otherwise is off the beam. The Governor knows that political aspirants are limited by statute as to the amount of money they can spend on a campaign for office, and he also knows that in a gubernatorial campaign, all of them, winner and losers alike spend many, many times that amount. Their check books may not show it, but somebody's does and the same holds true with football players. The books of the University may only show a \$10 a month investment in

a star player but the checkbooks of the alumni would probably tell an entirely different story.

If the University Athletic Association will give Coach Lieb enough cabbage, he will cultivate a team and no foolin'. There is no ceiling on football talent and winning teams can be had.

Quito, capital of Ecuador, is the seat of the Federal government and the church.

(Mrs. G. B. Ramey, Phone 2082)

Charles F. McQuaig, amn 2-c, has returned to his station at Oceania, Va., after spending a 10-day leave visiting his parents and other relatives in Pahokee.

Mr. and Mrs. Wilbur Roberts have returned to their home in Miami after a visit with her brother-in-law and sister, Mr. and Mrs. Robert O. Lampi, in Pahokee. They were accompanied to Miami for a visit by their niece, Sandra Lampi.

Mr. and Mrs. J. S. Chastain, and daughter, Dorothy, are spending the holidays in Miami with Mrs. Chastain's mother, Mrs. Connelly. Carol and Bobbie Jacobs are spending the Thanksgiving holidays with their parents in Everglades City and Miami.

G. A. Andrews is visiting relatives in Plant City this week. Mrs. Max Beverly and new son, Ken Boynton, returned to their home in Pahokee Wednesday from the Everglades Memorial hospital in Pahokee.

Colquitt Davis, former employee of the Bank of Pahokee and recently discharged from the army,

is spending several days with friends in Pahokee before returning to his home in Colquitt, Ga. After visiting in Colquitt for a while he will return to Pahokee to work and make his home.

Sam D. Belk visited his brother and sister-in-law, Mr. and Mrs. G. M. Belk, in Pahokee on Tuesday while enroute from Long Beach, Calif., to Miami.

James Harry Wilkinson, Jr., was recently promoted to the rank of technical sergeant, according to word received by his wife, Mrs. Margaret Wilkinson of Pahokee. He is now stationed at Reims, France.

Claude S. Jones, rdm 1-c, U. S. Navy, received a spinal injury in the train wreck near Sebastian, Fla., on Nov. 18, according to word received by his sister, Mrs. Ueoba Caruthers of Pahokee. He is now receiving treatment at the Vero Beach base hospital. Mrs. Caruthers and her brother, Vernon Jones of Belle Glade motored to Vero Beach on Tuesday to visit Claude.

Mr. and Mrs. R. W. Sanders are having as guests through the Thanksgiving holidays their son-in-law and daughter, Major and Mrs. P. Andrew Keys and daughter, Andrea, of Cochran Field, Ga., and their daughter, Miss Sara Sanders, of Palm Beach.

Mr. and Mrs. Roy Vandegrift, Sr., have as guests her brother-in-law and sister, Mr. and Mrs. Wilfringer of Deland.

### Lottie Moon Circle Met Monday P. M.

Members of the Lottie Moon Circle, First Baptist WMU, met at the church Monday afternoon to begin a study of their new mission study book, "From Victory Unto Victory." The study was led by Mrs. H. L. Speer, assisted by Miss Elizabeth Caraway and Mrs. Stella Mullis. The group plans to complete the study of the book at the meeting next week. Twelve members were present.

It was announced that an executive meeting will be held at the home of Mrs. J. C. Mock Monday afternoon preceding the combined circle meeting at the church Tuesday night.

### Harry Levins Has Birthday Party

Mrs. H. M. Levins entertained with a party for her son, Harry, on his 10th birthday at her home Monday afternoon.

Outdoor games were played and refreshments served. Mrs. Levins was assisted by her niece, Mrs. Mary Lou Pitts. Guests were Neil Kennen, Bobby Schroder, Chuck Elliott, Don Adams, Lewis Pope, Jimmy Rozelle, Eugene Caruthers, Bill Hatton, Robert Deloach and Calvin Padgett.

### Elementary Students Present Program

Children of the Pahokee Elementary School presented a Thanksgiving program in the high school auditorium on Wednesday morning of this week.

Thanksgiving songs were sung by first and second grade pupils and the 100th Psalm was read in unison by children of the third grade. Readings were given by Ariene Rainieri and Betty Sue Barnes.

The Program opened with the singing of "America" and Salute to the Flag by the entire group and ended with the feature attraction, a Mother Goose play presented by the first graders. The scene of the play in Mistress Mary Quite Contrary's garden where she was entertaining at a party for Mother Goose and the nursery rhyme children. Elizabeth Rainieri played the part of Mother Goose. Others in the play Sally Register, Wilda Davis, Charles Brooker, Donald Usher, Jerry Yancey, Braelie Smith, Harry Sheppard, Marlene Johnson, Jimmy Burnside, Emma Jane Hare, Kathleen Culberson, Geraldine Denmark, Bessie Martin, James Hamlin, Lester Lindrose, Sammie Walker, Eugene Pierce and Robert Miller.

Mrs. Fay Strickland, formerly associated with the USSC at Azucar, has gone to West Palm Beach where she is now employed at Lerner's.

Rufus C. Kimball is visiting his brother and sister-in-law, Mr. and Mrs. Lee Kimball in Azucar. Mr. Kimball recently received his discharge from the Army Medical Corps after five years in the service, two of which he spent overseas in the China-Burma-India theatre.

Mrs. J. P. Head and small daughter attended a wedding in Miami on Sunday.

## Ed Olsen's Nursery Real Beauty Spot

Have you ever visited Ed Olsen's Plumosa Nursery on Bacom Point Road in Pahokee? If you haven't, then there is a treat in store for you. Mr. Olsen is a genial host and really enjoys showing visitors through his nursery. A recent visit by this reporter was made quite enjoyable by Mr. Olsen. He took a lot of time and showed us dozens and dozens of flowers, shrubs and plants. Many of them we had seen before, many we knew when the name was called and many we never heard of before. It was an education within itself—that trip through Mr. Olsen's beauty spot on Bacom Point Road.

Palm trees galore decorated the nursery. From the delicate pigmy date palm to the towering and stately Royal Palm there were in between numbering a dozen, and a half. Some of them we recognized and others we didn't recognize. Mr. Olsen was patient and answered our many questions.

Trees! There was the beautiful jacaranda, the Bohemia, the acacia and dozens and dozens of others, the names of which we can't remember, let alone spell.

Shrubs! Many, many shrubs were to be seen in the large display. Ixoria, ligustrum, orange jasmine, many varieties of aralia and hibiscus in yellow and red varieties. Of course, there were many more but our vocabulary is limited when it comes to describing nursery stock.

Annuals! Mr. Olsen has many of them in the ground—with some just peeping through the soil. They'll be ready for transplanting within the next two or three weeks. Among them are pansies, snapdragons, phlox, marigolds, zinnias and asters.

Shipments go forth most every week to various towns and cities in Florida. Orlando receives many shipments from Olsen's. West Palm Beach and Miami receive their share of shrubs and plants.

Cuba has a large foreign trade per capita than any other Latin American country except Argentina.

## Classified Ads

If there is a woman in Pahokee or Canal Point who would like to earn \$37.50 to \$47.50 per week for the next few weeks she will do well to get in touch with the editor of The Everglades News at Canal Point. It is a job of selling subscriptions and no experience is necessary.

## HOME From The W A R

Kenyon M. Lassiter, nephew of Mr. and Mrs. H. G. McGouirk of Sand Cut, is home after 35 months service in the U. S. Army, 23 months of which he spent in the Southwest Pacific. Among the spots where young Lassiter was stationed were New Guinea and the Philippine Islands. He was discharged at Camp Blanding on Nov. 17. He wears the following ribbons: Asiatic-Pacific, Philippine Liberation, Good Conduct, Purple Heart and the Victory Medal. His ribbons contain three bronze stars, denoting three major campaigns.

George W. Ferguson, CM 1-c, Pahokee, received his discharge from the Navy November 12 at Jacksonville. He was in the service two years and served 19 months overseas.

T-Sgt. Rufus C. Kimball of the Army Medical Corps, has arrived in Pahokee after having received his discharge. He has been in the Army for five years and stationed

in India the last two years. He is visiting his brother and sister-in-law, Mr. and Mrs. Lee Kimball of Pahokee.

Cpl. H. D. Clark received his discharge from the Army at Bowman Field, Ky., on Tuesday, Nov. 20, after three years, two months in the service. He was an instrument specialist in the Army Air Corps. His wife, Mrs. Lindy Clark and Mrs. Charles A. Baker motored to Miami to meet him there Wednesday morning. Mr. and Mrs. Clark and small son, Mark, plan to make their home at the 3-C Ranch near Moore Haven.

S-Sgt. W. E. Githens received his discharge from the Army Air Corps at Drew Field on Nov. 5. He was in the service more than four years. Mr. and Mrs. Githens (Frances Elam) and small son, Louis, are making their home in Canal Point and he has accepted a position with the Glades Mercantile Company in Pahokee.

W. O. Segres, brother of Roy Segres of Pahokee, was recently discharged from the Army Air Corps and is now in Pahokee where he is making plans to go into the local vegetable trucking business. His family, now in Ken-

tucky, plan to join him later in the season.

Edward A. Jensen, cm 1-c, U. S. Navy, has arrived in San Francisco, Calif., from the Pacific area and expects to get his discharge within the next few days. He was postmaster of the Pahokee post-office before he joined the Navy.

Mr. and Mrs. Charles McQuaig, Sr., announce the birth of a son, Royce Eugene, at the Everglades Memorial Hospital on Sunday, Nov. 18.

Mr. and Mrs. L. R. Dixon of Canal Point, announce the birth of a son at the Everglades Memorial Hospital on Tuesday, Nov. 20.

Mr. and Mrs. Ray Singletary of Canal Point announce the arrival of a daughter on Wednesday, Nov. 21.

Mrs. Earl Maxson, Mrs. Joe Parker, Mrs. Rupert Mock, Mrs. Lewis Friend and Mrs. Lewis Davis spent Tuesday in Miami.

## Joe Hatton, Jr., Home On 28-Day Furlough

Joe Hatton, Jr., AMM 2-c, of the Naval Air Corps, and son of Mr. and Mrs. Joe Hatton, sr., of Pahokee, is spending a 28-day leave with his parents here following 14 months' overseas duty in the Pacific. A flight engineer on a B-24 he has 67 missions to his credit. He wears an Air Medal, and Philippines Liberation, Asiatic-Pacific and an American Theatre ribbons. His missions took him over Borneo, Dutch Indies, Singapore and Indo-China. For the last eight months he has been stationed on Palawan, one of the southernmost islands in the Philippines. On his return to the states, he flew a B-28 to Pearl Harbor, where he boarded the aircraft carrier USS. Saratoga for the remainder of the voyage.

Mrs. E. G. Kilpatrick and daughter, Esther, of Sanford, visited Mr. and Mrs. Luke Fraser and Mr. and Mrs. Johnny Thomas this week while receiving medical attention in Pahokee. They left Wednesday, Mrs. Kilpatrick returning to Sanford and Esther returning to FSCW at Tallahassee.

# What Goes Up... Must Come Down!

**YES**, and the higher it soars, the harder it falls! That, in a nutshell, is the logic of inflation.

Pay more than a thing is worth, just because it's scarce, and it's going to cost more to produce that article than it's worth. Get a lot of people bidding senselessly for scarce items, and the vicious spiral begins. Wages and prices soar higher and higher until your day's pay is literally worth less than a plugged nickel.

Then, inevitably, the bottom drops out of the whole thing... wages, prices, and values explode... and economic, political, and social ruin is the result. It happened in Germany after the last war. It can happen here!

Let's head off inflation before it gets started! Let's not pay a penny more than any article is worth, and let's all abide by ceiling prices.

And let's not buy a lot of stuff we don't really need. Let's wait until full reconversion brings us our choice of new improved merchandise... the very best our money can buy.

Let's keep our feet on the ground... and our pocketbooks, too!

## Cinematic Chatter

By Malcolm Millar

I don't think I shall ever forget the delightful two hours I spent living the delightful story of "Enchanted Cottage", which comes to the Prince Theatre, this coming Sunday-Monday, and, for some, promises to be an event not to be soon forgotten.

Dorothy McGuire and Robert Young are the principal stars in the piece, with Herbert Marshall playing his usual smooth role, that of a blind pianist and composer, who knows the real story behind this couple, whose love was so overpowering that they could only see the spiritual beauty of each other.

It is an enchanting story, excellently narrated by a very clever cast, with setting and direction faultless. I am sure you will live every moment of this delightful story enraptured.

Tuesday - Wednesday brings Lana Turner, Laraine Day and Susan Peters in "Keep Your Powder Dry." This show has been lauded as one of the best to come out of this war and I'm sure, from my reading of the press reports, I can recommend it to you.

On the same program comes "The Power of the Whistler", which stars Richard Dix and Janis Carter with a nice looking cast. The story listens very interesting, exciting and entertaining. I believe you'll like it.

Thursday-Friday brings Laurel and Hardy in a screw ball comedy that should keep the house in stitches from the very beginning. The boys are offering "Nothing But Trouble" and believe me they don't have anything but a pile of that.

On the same program with them comes Ann Miller and William Wright with a jam-session cast of helpers in a piece entitled "Eve Knew Her Apples."

All I can say is, "I don't know what Eve knew—but I do know Ann knew her routine . . . and I don't mean her 'hoofing' routine.

Saturday brings the "Three Mesquiteers" in "Riders of the Rio Grande" which is listed as a well actionated Western delight.

Before signing off let me remind you that we have for the Victory Bond Premiere "Thunderhead" with Roddy McDowell and Preston Foster and a great cast. I know you won't want to miss it. You can get your bond and ticket at any issuing agent in town. Or, if you haven't a ticket but can produce a Victory bond you purchased during November bring it along and we'll honor it at the box office.

See you at the movies and the Victory Bond Premiere—Mal.

Farm-fresh produce for consumers throughout the year and substantial spoilage reductions are resulting in eight A&P Supermarkets in Columbus, Ohio, from two years' college-industry experiments.

The average capacity of American oil refineries is about 5,000,000 barrels a day.

REGIONAL FAVORITES  
OF DISTINCT MERIT

## CREOLE FISH FILETS

Saute 3 lbs. of fish filets in hot fat with two sliced onions. Put in deep kettle and pour over it a sauce made as follows: Chop fine a No. 2 can of tomatoes, add 2 tablespoons flour, 1/2 cup hot water, 6 bay leaves, 6 whole cloves, 6 whole allspice, 1 red pepper cut fine with salt to taste. Simmer for 45 minutes very slowly. Five minutes before serving add two slices of lemon. Serve filets on slices of buttered toast. Garnish with slices of hard boiled eggs, olives or pickles. Serve with a green salad. Serves 6.

JAX has mailed \$5.00 to the contributor of this recipe. Send us your regional recipe suggestion. If published \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

JAX Beer  
and Mellow

The great foods of any region are heightened and enhanced when there's a great regional beer to accompany them. Creole Fish Filets embody the appetizing goodness for which our Southeastern cookery is famous. JAX, the Southeast's great Regional Drink of Friendship, is a perfect table companion for such a dish. Try JAX with regional foods, or relish its special, golden, refreshing goodness alone. It is brewed especially to please the highly developed and discriminating tastes of this region. JAX is truly a beer of premium quality but not of premium price.

Say JAX!  
You can't buy  
better beer  
at any price!

## Farm Bureau Heads Named At Orlando

Douglas Igou, Eustis, was re-elected president; Francis Corrigan, vice-president; Emil Karst, treasurer; and John Ford, executive secretary, in the closing session of the Fourth Annual Convention of the Florida Farm Bureau in Orlando last week.

The meeting featured an address by United States Secretary of Agriculture Clinton P. Anderson who warned citrus men against dangers of overplanting, and urged added emphasis on advertising and merchandising to put the fruit in the hands of the consuming public. He also advocated the development of new markets.

Rogers B. Corbett, secretary and treasurer of the American Farm Bureau, appeared on the two day program and asked farmers to hold production to a point where good prices would be maintained.

Among those attending the convention from Palm Beach County were: Harry Benson, Grover Bell, R. Y. Creech, J. W. Elliott, Luther Jones, Mr. and Mrs. L. L. Stuckey.

The Army wore out only 30 percent of its equipment in combat in Europe.

## Editors May See "Yearling" Filmers

SILVER SPRINGS — Florida editors and publishers who attend the Annual Convention of the Florida Press Association at Silver Springs, Nov. 30-Dec. 1, will probably have an opportunity to meet the Metro-Goldwyn-Myer stars who are filming the "Yearling" prize winning Florida story of Marjorie Kinnan Rawlings, as Jay Marchant, business manager of the unit said that 50 members of the group working on the picture would return to the Springs to resume work. He said that a number of scenes are to be taken in the vicinity of Ft. Myers and units will be moved there later. It is expected that two or three months will be required to complete the picture.

Successful research in canning new types of peanut products indicates a considerably enlarged market for the annual peanut crop, estimated this year at approximately 2,264,000,000 pounds, according to James A. Stewart, vice president in charge of the American Can Company's research and development division.

Lions have been known to jump as far as 20 feet, and also can clear a barrier nine feet high.

## HOME From The WAR

After spending more than three years in Uncle Sam's Navy, Eugene (Pete) Hollon is back at home in Canal Point with his wife. He was discharged Nov. 2 in Jacksonville. He spent 13 months in the Pacific during which time he was in the campaign on Leyte Island and was stationed at Clark Field in the Philippines. He was also in the Lingayen campaign. Pete wears the following ribbons: good conduct, Asiatic-Pacific with one bronze star, Philippines Liberation ribbon with one bronze star.

Major James F. McLure, former owner of the Western Auto Store in Pahokee, is to be a civilian again within a few days. He and Mrs. McLure were in Canal Point and Pahokee Wednesday on their way to Ft. Lauderdale for a visit with relatives. They now live in DeSoto City where he is spending his leave before being discharged. He joined the army in April 1942 and during that time was stationed in Panama, Trinidad, Texas, Manie and Alabama.

Pfc. Albert Cowart is home in Pahokee with his parents, Mr. and Mrs. Rep Cowart after being discharged from the army at Camp Blanding on Nov. 8. He was overseas 22 months and was in the invasion of France. He landed on Omaha beach, one of the hottest spots in the invasion. During the 22 months overseas he was in France, England, Belgium, Holland, Germany, Luxembourg, Switzerland and Austria. He wears the following ribbons: European Theatre of Operations, good conduct and the purple heart. He has four battle stars.

Larkin Spooner is home again after a hitch with the Seabees. He was discharged at Jacksonville on Nov. 19. He became a member of the Seabees April 13, 1943. During the time he was in the service he was at Pearl Harbor, Kwajalein, Saipan, Tinian, Guam and Eniwetok. His ribbons are Asiatic-Pacific, American theatre of Operations and the Victory medal.

## Ag Sec'y Anderson Says To-Avoid Waste

ORLANDO—Secretary of Agriculture Clinton P. Anderson, speaking before the annual convention of the Florida Farm Bureau at Orlando last week, warned citrus growers that they are producing more fruit than they can expect to market and that they had better take that fact into consideration.

He said agriculture must gear itself to produce plenty but avoid surpluses that may become a waste or a curse.

He pointed to the need for efficiency in processing and distribution and said it was not going to be easy for Florida citrus interests to make its peace-time adjustments. He contends that there has been an overplanting of young trees and said that while the government was going to help all it could, when surpluses were caused by excess plantings, it should not be expected to carry the load. The government did nothing to encourage growers to keep on planting citrus and cannot be held responsible for this over-production.

An effort must be made, he said, to cut down the cost of production and marketing. Otherwise growers and marketing agencies face serious trouble in the years ahead.

He warned that the government cannot continue to buy fruit for which it has no use and said citrus growers would have to look to consumers markets in populated centers and intelligently develop such markets.

## Batchelor Sees His Insurance Business Grow From One-Man Deal To Where 16 Are Now Working In Pahokee Office

Employees of the Industrial Life and Health Insurance Company in the Pahokee office number 16, it was pointed out this week by C. A. Batchelor, district manager of the concern who has seen the organization grow from the time it employed one agent (Mr. Batchelor) in the Lake Okeechobee Region. It was way back in 1929 when Mr. Batchelor sold the first insurance for Industrial Life and Health in the Pahokee office.

In 1935 Mr. Batchelor went back to work for the company and for the past ten years he has worked hard and watched the fruit of his labors materialize—the 16-man organization being the result. His territory extends from Okeechobee City to Moore Haven on the eastern shore of Lake Okeechobee.

A few years previous to the time the present office was opened in Pahokee in April, 1944, the company employed about five men in this area. Since opening of permanent offices in Pahokee the 1st of employees has grown steadily. Mr. Batchelor hopes to add even more than the present 16 within the next year or two.

During the past 1½ years, since the present office was opened, the company's business in this section has shown a decided increase. Business written today is more than five times what it was back in 1940 and more than 12 times what it was ten years ago, Mr. Batchelor said.

Just recently a contest was closed by the company and Pahokee district, managed by Mr. Batchelor, won a special prize of \$2,238 which was divided among the workers of the office. The prize was compensation for new business written during a specific

period. The Pahokee group wrote nearly twice as much business as its nearest competitor during the period. The contest was in effect throughout South Florida.

Offices of Industrial Life are located in the rooms over the Army Salvage Store in Pahokee. Seeing the narrow stairway leading to the offices, one would never dream that livelihood for 16 families came from behind the door at the head of the stairs. Mr. Batchelor is hopeful that in the near future, offices of the company will be moved to a proposed new structure to be built in Pahokee. The entire second floor of the new building will be used by Industrial Life. The company writes insurance for both white and colored. Mr. Batchelor pointed out.

In the office Mr. Batchelor is assisted by Hazel Todd. There are 10 agents and four superintendents who cover the field. They are:

Paul Watson, Pahokee  
C. M. Todd, Pahokee  
H. J. Batchelor, Pahokee  
Owen Todd, Pahokee  
Johnnie W. Burton, Pahokee  
W. H. Kemp, Pahokee  
J. G. Sowder, Pahokee  
J. C. Sowder, Pahokee  
Robert Walker, Pahokee  
C. A. Straehle, Pahokee  
J. H. Newman, Lake Harbor  
W. E. McDonald, Belle Glade  
R. M. Dart, Canal Point  
Louper Houston, who recently was discharged from the army, will return to the Glades soon and take up duties with the company. Mr. Batchelor said that Mr. Houston will be stationed in Clewiston. Every agent working with Mr. Batchelor and Industrial Life makes an excellent salary, it was pointed out. Their earnings are limited only by the amount of

## BPWC In-Regular Monthly Meeting

The Everglades Business and Professional Woman's club conducted its monthly social meeting Tuesday evening at the Woman's club with Mrs. Becky Starling presiding. Mrs. Sadie Barwick presented a talk on "Parliamentary Rules."

Mrs. Dorothy Graham led the guests in a contest after which luncheon was played. Prize winners were Mrs. Starling, Mrs. Alma Farrow, Miss Barbara McNamara, and Mrs. Tommy Lee DuBose.

Mrs. Dorothy Froemming, a member of the club, who will leave soon to join her husband who is being discharged from the service and will make their home in White Water, Wis., was presented with a gift from the club.

Refreshments were served by the hostesses, Mrs. Nola Dragon, Miss McNamara and Mrs. Froemming.

## Victory Class Honors Teacher

Members of the Victory Class, Pahokee Methodist Sunday School entertained at a party in the church social hall Wednesday night, honoring their teacher, Mrs. R. J. Schroder, on her birthday anniversary.

Mrs. Alice Spooner and Mrs. Becky Starling acted as hostesses. Many lovely gifts were received by the honoree. Others attending were Mr. and Mrs. C. C. Cruthird, Mr. and Mrs. Lewis Friend, Mr. and Mrs. Charles Kennen, Rev. and Mrs. T. A. Ferguson, Mrs. Christine Fraser, Mrs. Mazella Brower, Mrs. Hazel Wroten, Mrs. Dorothy Graham, Mrs. Catherine Spencer, Slater Brewton, J. H. Marshall, Leon Spooner and Robert Schroder.

Work they put into the job. The Everglades News extends congratulations to Mr. Batchelor and his crew of workmen.

## THROUGH THE EYES OF A FRIEND

Customers are people. And the Telephone Company has always considered customers in that light—as individuals, like the men and women who make up our own company.

This friendly feeling, we are happy to say, is reflected in the progress that Florida and the Telephone Company made together through the years. It is this same kind of partnership that makes the future sparkle with promise.

Like Florida, the Telephone Company is buckling down to its postwar tasks. For the 5,125 men and women of the Telephone Company in this state, it means the greatest expansion program in our history in Florida. It's a full and complete program, designed to meet the state's industrial and agricultural needs of the future. It means the expenditure of millions of dollars in Florida.

Specifically, the program will provide telephones for all who have been waiting for them. This is one of our first jobs! A greatly expanded telephone program for our farmer friends is also in process. Expansion of long distance service is being scheduled too. It will include the installation of coaxial cables to handle more calls with speed and convenience for you, and provide more facilities for that exciting visual art—television. A mass of construction is to be done and a new service to motor vehicles is also in the offing.

Here's a program of achievement, to be worked out together by Florida and the Telephone Company as they have worked out their attainments of the past. By mutual understanding and cooperation, Florida and the Telephone Company will grow greater than ever.

It's a big program that shall become a reality as fast as materials become available—a reality to be translated into prosperity and payrolls for the people of Florida. For a business is like an individual. If he fares well, his community fares well with him. And that is the way it should be, among friends.

A. B. DOOLEY, Florida Manager
